COMMON TRANSACTION SLIP

This Form is for use of Existing Investors only. To be filled in CAPITAL LETTERS

TERM & CONDITIONS

This form should be used by existing investors only by mentioning their folio number, name and Scheme details. Please read the Scheme related documents, Addenda, KIM and Instructions there-in and below mentioned instructions carefully before filling up the form. Investors should provide details/instructions only in the designated space provided in the form else the same may not be considered.

Investors subscribing under Direct Plan of the Schemes should indicate the Scheme/Plan name in the transaction form as "Scheme Name – Direct Plan" for e.g. Direct Plan". Investors should also indicate "Direct" in the ARN column of the transaction form. However, in case Distributor code is mentioned in the transaction form, but "Direct Plan" is indicated against the Scheme name, the Distributor code will be ignored and the transaction will be processed under Direct Plan. Please note, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.

1. ADDITIONAL PURCHASE & PAYMENT DETAILS:

Investors should fill in the name of the scheme, plan and option. In case the details are not proper and clear or in case of incomplete details, non-clarity or ambiguity, default options will be considered and applied. Separate cheques and forms should be given for each separate investment in a different scheme, plan or option.

The first unit holder should be one of the bank account holders in the pay-in bank account. Purchase application through Cheque/DD/RTGS/NEFT/Funds transfer requests should necessarily mention the pay-in bank account details i.e. account number and bank, branch name of the bank account used for issuing the payments to the fund, Cheque/DD should be in favour of scheme name.

If this is not evidenced on the payment cheque/funds transfer/RTGS/NEFT request, or in case of demand drafts, unit holder should attach necessary supporting documents as required by the fund, like a bank certificate, bank passbook copy or statement to prove that the funds are from a bank account held by the first unit holder only.

If the documents are not submitted with the application, the NJ mutual fund reserves the right to reject the application or call for additional details.

In case the pay-in ban details provided with the additional purchase are not any of the registered bank accounts with the folio, and if it is evidenced that the first unit holder is one of the bank account holders in the pay-in bank account, the request will be eligible to process. However the pay-in bank account will not be updated as a registered bank account with the folio. If investors wish to add or modify such bank details with the folio a separate Bank modification or Multiple Bank registration request signed by all the unit holders should be provided, irrespective of mode of holding of the folio.

One time Bank mandate (OTM) facilitates the investor to register a debit Mandate with the investor's banker which will contain a pre-defined upper limit for the amount to be debited from his bank account for every Purchase Transaction done. If the investor is making payment through an OTM facility registered in the folio, then he has to tick the relevant box and not attach any cheque along with the purchase request. The subscription amount will be debited from the bank account details as mentioned in the OTM facility opted by the investor. Investors are requested to select OTM as payment mode only if the OTM is already registered with the Mutual fund. In case the OTM is not registered, a separate OTM registration request should be provided and once the same is approved by the investor's Banker, the investor can select the OTM as mode of payment for future transactions.

Investors shall note that KYC is mandatory and they need to comply with the 'Know Your Client' requirements as applicable from time to time. Applications are liable to be rejected without any intimation to the applicants, if required KYC compliance is not completed by all the applicants/unit holders.

If the existing folio is in demat mode, it is mandatory for investors to provide the demat account details as available in the folio number. If the existing folio is in demat mode but investors wish to provide additional purchase in non-demat mode, or vice versa, Investors are requested to submit Common Application Form for maintaining a separate folios for their demat and non-demat holdings.

Enclose for Demat Option: Client Master List, Transaction/Holding Statement, DIS Copy

2. REDEMPTION REQUEST:

Please specify the bank details in which you wish to receive the redemption proceeds. Kindly note that this bank account should be one of the registered bank account in the folio else by default the redemption proceeds will be credited into the default bank account. Also this cannot be treated as change of bank mandate.

Note: In case Change of bank details request has been submitted in last 10 working days, we may HOLD the redemption payout for 7 working days. The payout will then be made on the 8th working day. If the 8th working day is a holiday / non-transaction day, then the redemption payout will be made on the next working day

Redemption may not be processed if folio number and full scheme name including plan and option is not mentioned. Please ensure that either of amount or Specific units are mentioned in the partial redemption request.

If the balance in your folio is less than this redemption request, all units or entire balance shall be redeemed.

In order to protect the interest of investors from fraudulent encashment of cheques and as per the current SEBI Regulations, it is mandatory for applicants to mention in their Application / Redemption request the bank name and account number

The fund offers a facility to register multiple bank accounts and designate one of the bank accounts as "Default Bank Account". Default Bank Account will be used for all redemptions payouts, unless the investor specifies one of the existing registered bank accounts in the redemption request for receiving redemption proceeds. A new non-registered bank account specified in the specific redemption request for receiving redemption proceeds will not be considered and the redemption proceeds will by default be credited into the default Bank account. The investor will have to initially get the non registered bank account registered in the folio and then apply for the redemption request. Also if no registered bank account is mentioned at the time of redemption then by default the redemption proceeds will be credited into the default Bank account.
